

NEW DOOR

(Iconic) **Fraser** in Succulent on maple and Lynx on quartersawn oak, back kitchen in Dijon on maple

FRASER

Featuring a recessed panel and svelte profile nearly a 1/2-inch thinner than our popular Blaine door, the “micro-Shaker” look of Fraser plants a flag in new design territory. It’s a refreshingly crisp, ultra-contemporary option that satisfies modern style demands while going beyond today’s trends.

- Available for Yorktowne Iconic and Bath Sanctuary—both framed or frameless selections—in cherry, hickory, maple, oak, and quartersawn oak.
- Full Overlay Door Style
- Recessed Panel with 3/8-inch profile
