

PET FEEDING STATION WITH TOE KICK

Our new Pet Feeding Station with Toe Kick serves up a uniquely simple solution to pet feeding and clean up. Hidden beneath the cabinet run, this feature cradles and conceals bowls within a dedicated dining space, delivering what pets crave without the clutter.

- Touch-to-open pull-out station stores food, treats, toys and more
- Food safe plastic base and stainless steel bowls for easy cleaning
- Heavy-duty quiet close glides for smooth operation
- Dry food only recommended
